Product description

Saint Quay Portrieux in Brittany (Cotes d'Armor) ... the town where I live and ... I have my gallery. It is a terrace above the pool with sea water. I love this place. Usually I painted them in the morning ... this time I was delighted with the beautiful, pastel colors of the late afternoon light. The landscape becomes very gentle ... even the coast, rocks. In the foreground you can see white railings ... find them everywhere in Saint Quay ... along the coast. It's very typical in this town.
