Product description

Located on the wild coast of Belle-Ile-en-mer and overlooking the ocean, the 3-star hotel Le Grand Large blends into a peaceful landscape, surrounded by colored changing moors. From the original mansion, built at the beginning of the last century, remains an intimate atmosphere that invites you to relax and unwind as you gaze into the sumptuous sunsets. I love this place. Hotel le Grand Large presents itself beautifully in the landscape ... at any time of the day. I like watching him. During my stay at Belle Ile, I made two pictures representing this hotel. I painted this picture in the afternoon. I really like warm, autumn afternoon sun rays. With time, these warm colors of the majestic rocks become cool. The autumn days are short. The light changes quickly. This place exudes extraordinary energy ... there is something magical and disturbing there ... For 7 years, I always travel with my little dog ... here she is in the second photo. It is a real privilege to paint in this place.
