Product description

This painting shows one of the wild beaches near Cancal. During low tide you can see in this beautiful landscape, silhouettes of people picking up seafood... fishing on foot. It is an extremely picturesque spectacle. Also, beautiful fall colors caught my eye. A wonderful contrast between the dark, almost steely sky and the warm colors of the rocks on the coast. Small fishing boats and silhouettes of people shimmer like scattered little pearls.

Dimension

38cm x 46cm

Year of creation

2016
