Product description

This is a painting created at the end of summer. In the foreground, small yellow flowers can be seen—typical plants of Brittany. This gives the entire painting a richly developed range of yellow tones, which is a challenging effect to achieve. On the beach, people can be seen strolling, and a little further away... the islands of Saint-Quay.

Dimension

100cm x 64cm

Year of creation

2025

Certificate

Delivered with a certificate of authenticity
