Product description

La Plage des Godelins is a place of entertainment to discover during your vacation in Binic-Étables-sur-Mer (Côtes-d'Armor, Brittany). This site is part of a popular activity by tourists passing through the region. Located below the seaside district of Godelin, it surprises with its range. Its bathroom cabins and rotunda give it an undeniable charm. The Tagarine families wrote their best memories ... Children on the beach have a huge play area. You will also spend precious moments! I like space, sun, blue skies and Breton wind ... that inspires me.
