Product description

This painting was created on Plage de la Comtesse in Saint-Quay, Brittany. It depicts Harbour Island during a major low tide... when the sea retreats far into the distance, revealing rocks usually hidden beneath the water. Near the shore, a figure can be seen walking through the shallows—a common sight in spring, when the sea is still too cold for swimming.

Dimension

30cm x 40cm

Year of creation

2025
