Heat Haze 38x61cm

Price	**650.00 Euro**
Condition	**1 pcs.**
Shipping time	**Up to 5 days**

Product description

Heat haze... a most curious phenomenon. On a scorching day, a mist drifts in from the sea, gently cloaking the entire landscape. The contours dissolve into softness. Just as the sun blazes, the air suddenly cools by several degrees. It’s a scene painted before my home — wild vegetation unfurls in the foreground, while in the distance, a lone signal post stands sentinel above the rocks, and the tiny isle of Harbour lingers on the horizon.

Dimension

38cm x 61cm
