Product description

Hotel Ker Moor Preference Saint-Quay-Portrieux. is perched on the cliff offering a panoramic view of the Bay of Saint-Brieuc, located between the Port of Armor and the Casino.
This painting shows the hotel in the light of the setting sun. The hotel is seen from the entrance, from the street. I painted it several times on the other side... setting up my easels on the beach at the Casino. Its architecture is very particular with its Byzantine influences.
