Product description

I thoroughly enjoyed painting the garden at this time of day.
It is an interesting exercise for a painter... the color palette is completely different from that of daytime.
Pastel tones dominate. You have to capture the moment quickly.
In the painting, agapanthus — an emblematic flower of Brittany — takes center stage.
In the background, you can see Harbour Island and the semaphore of Saint-Quay-Portrieux.

Dimension

75cm x 115cm

Year of creation

2025
