Product description

The inspiration for my painting is unusual and wonderful nature, landscape. I'm painting outside. I watch nature, shiny colors, rays of the sun lying on the surface of the sea, disturbing steel clouds, reflections of ships, architecture and fishing boats in the water. Painting outside gives me a sense of freedom.
This image represents the port at Binic, in Brittany (Côtes-d'Armor) A charming place. A small seaside resort. I like to watch the fishing boats in port. This time, bright colors of the boats shine against the backdrop of a steely, dark sky.
