Product description

The seawater swimming pool. Here is a true emblem of Saint-Quay-Portrieux, which gives it its charm of a seaside resort from the beginning of the 20th century. Thanks to this construction feat, high tide or low tide, there is no time for swimming. Practical, elegant and recognizable among a thousand, it is the pride of Quinocéens! I have painted this pool many times. On any side, at any time of the year. This time the picture presents the seawater swimming pool on a sunny winter day.
