Product description

The boat graveyard in Audierne Picture painted on the bridge. A strange sight. The warm rays of the sun envelope the "dying fishing boats" against a backdrop of juicy and fleshy greenery. Beautiful colors of the aging wood. Each fragment of ruined fishing boats ... tells its story. All you have to do is listen to the rustling of the wind between the crumpled planks to imagine the power of these boats when, in the light of the spring sun or during the autumn storm, they move at sea. Image made on acrylic canvas.
