Product description

Here is my painting of the GR34 path... For those who do not know Brittany: know that this coastal path will allow you to discover all of Brittany. Afternoon... the walk in Saint Quay Portrieux in Brittany (Cotes d'Armor)... the city where I live and... I have my gallery. This time I was delighted with the beautiful pastel colors of the late afternoon light. The landscape becomes very soft... even the coast, the rocks. In these beautiful colors of the coast, like beautiful pearls, the Breton houses sparkle, the villas... It is a real pleasure to live and paint in this place.
