Product description

Acrylic on canvas. The painting is inspired by my friends garden. This white fountain has always caught my attention. I find this place incredible, almost like a fairy tale. The plants around are bursting with bright, already autumnal colors. Many shades of yellows, oranges, and in the depths... a rich palette of green colors. The lighted space between the bushes ... invites you to enter the garden.

Dimension

81cm x 116cm

Year of creation

2021
